

the**GOSPEL**PROJECT®

Join The Gospel Project each week as we continuously trace the need for redemption in the story of the gospel and in our stories, too.

Christ Centered

It's all about Jesus and every story points back to Him.

Heart Transforming

This study is designed to encourage true transformation that comes only from the gospel, not from behavior modification.

Age Aligned

Each week, every participant—from preschoolers to adults—can study from the same section of Scripture.

Chronological

All age levels study the narrative of the Bible in order, from Genesis to Revelation.

Theologically Rich

All studies are presented in an age-aware manner, and every session is doctrinally sound and thorough.

Missionally Minded

Every session calls participants to respond by sharing and living out the gospel.
