So Joseph found favor in his sight and attended him, and he made him overseer of his house and put him in charge of all that he had. From the time that he made him overseer in his house and over all that he had, the Lord blessed the Egyptian's house for Joseph's sake; the blessing of the Lord was on all that he had, in house and field. So he left all that he had in Joseph's charge, and because of him he had no concern about anything but the food he ate. Now Joseph was handsome in form and appearance.

- **Genesis 39:4-6**

Now therefore let Pharaoh select a discerning and wise man, and set him over the land of Egypt. Let Pharaoh proceed to appoint overseers over the land and take one-fifth of the produce of the land of Egypt during the seven plentiful years. And let them gather all the food of these good years that are coming and store up grain under the authority of Pharaoh for food in the cities, and let them keep it. That food shall be a reserve for the land against the seven years of famine that are to occur in the land of Egypt, so that the land may not perish through the famine.”

**- Genesis 41:33-36**

..Now after a long time the master of those servants came and settled accounts with them.

And he who had received the five talents came forward, bringing five talents more, saying, 'Master, you delivered to me five talents; here, I have made five talents more.' His master said to him, 'Well done, good and faithful servant. You have been faithful over a little; I will set you over much. Enter into the joy of your master'...
